None of the Offeror, the Dealer Managers or the Information & Tender Agent or any of their respective directors, employees, officers, agents or affiliates expresses any opinion about the merits of the Tender Offer or makes any recommendation whether holders of Securities should tender Securities pursuant to the Tender Offer and no one has been authorized by the Offeror, the Dealer Managers or the Information & Tender Agent to make such recommendation.

Forward-Looking Statements

The Offeror considers portions of this announcement to be a forward-looking statement. Forward-looking statements can be identified typically by the use of forward-looking terminology such as “believes”, “expects”, “may”, “will”, “could”, “should”, “intends”, “estimates”, “plans”, “assumes”, “predicts” or “anticipates”, as well as the negatives of such words and other words of similar meaning in connection with discussions of future operating or financial performance or of strategy that involve risks and uncertainties. Although the Offeror believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions at the time made, these assumptions are inherently uncertain and involve a number of risks and uncertainties that are beyond the Offeror’s control; therefore, the Offeror can give no assurance that such expectations will be achieved. Future events and actual results, financial and otherwise, may differ materially from the results discussed in the forward-looking statements as a result of risks and uncertainties, including, without limitation, possible changes in the timing and consummation of the Offer.

You are cautioned not to place any undue reliance on the forward-looking statements contained in this announcement, which speak only as at their respective dates. Neither the Offeror nor any of its affiliates undertakes any obligation publicly to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise except as required by any applicable laws and regulations.

Accordingly, such securities may not be offered or sold, directly or indirectly, in the United States or to any U.S. person (as defined in Regulation S under the U.S. Securities Act) unless they have been registered under the U.S. Securities Act (which neither the Offeror nor its affiliates has any obligation to do or procure) or are offered and sold in a transaction exempt from, or not subject to, the registration requirements of the U.S. Securities Act and applicable securities laws of any state or other jurisdiction of the United States.

Neither this announcement nor the Tender Offer Documents constitute an offer to buy or the solicitation of an offer to sell Securities (and tenders of Securities in the Offer will not be accepted from holders of Securities) in any circumstances in which such offer or solicitation or acceptance is unlawful. In those jurisdictions where the securities, blue sky or other laws require the Tender Offer to be made by a licensed broker or dealer and any Dealer Manager or any of the Dealer Managers’ respective affiliates is such a licensed broker or dealer in any such jurisdiction, the Tender Offer shall be deemed to be made by such Dealer Manager or affiliate, as the case may be, on behalf of the Offeror in such jurisdiction.

Each holder of Securities participating in the Tender Offer will also be deemed to give certain representations in respect of the other jurisdictions generally as set out in the section “Procedures for Participating in the Offer—Holder Representations, Warranties and Undertakings” of the Offer to Purchase. Any tender of Securities for purchase from a holder of Securities that is unable to make these representations will not be accepted. Each of the Offeror, the Dealer Managers and the Information & Tender Agent reserves the right, in its absolute discretion, to investigate, in relation to any tender of Securities for purchase, whether any such representation given by a holder of Securities is correct and, if such investigation is undertaken and as a result the Offeror determines (for any reason) that such representation is not correct, such tender shall not be accepted.
