Dear Shareholder

I am pleased to attach the Notice of the Annual General Meeting of Premier Oil plc (the "Company") to be held at the Institute of Directors, 116 Pall Mall, London SW1Y 5ED at 11.00am on Wednesday 13 May 2015 (the "Meeting"). A form of proxy for use at the Meeting is also enclosed. If you would like to vote on the resolutions but cannot come to the Meeting, please fill in the form of proxy and return it to the Company's Registrar at Capita Asset Services, PXS, 34 Beckenham Road, Beckenham, BR3 4TU as soon as possible. To be effective, forms of proxy must be lodged by 11.00am on Monday 11 May 2015. You may also submit your proxy electronically via the internet. Instructions on how to do this can be found on the form of proxy.

At this year's Meeting there are 20 resolutions which shareholders are asked to approve. Resolutions 1 to 17 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 18 to 20 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution. An explanation of each of these resolutions is given below.

Ordinary Resolutions

Resolution 1: Annual Report and Financial Statements 2014

The Companies Act 2006 requires the directors of a public company to lay before the Company in general meeting the annual report and accounts of the Company for each financial year. The directors ask that shareholders receive the Company's Annual Report and Financial Statements for the year ended 31 December 2014, including the reports of the directors and the auditor.

Resolution 2: Annual Report on Remuneration

The Annual Report on Remuneration, which includes a statement by Jane Hinkley, Chairman of the Remuneration Committee, is set out on pages 83 to 84 and pages 98 to 119 of the 2014 Annual Report and Financial Statements. The Annual Report on Remuneration sets out payments made during 2014 and explains how the remuneration policy will be implemented in 2015. The vote on the Annual Report on Remuneration, under Resolution 2, is advisory only and any entitlement of a director to remuneration is not made conditional on the Resolution being passed.

The Directors' Remuneration Policy was approved by shareholders at the 2014 Annual General Meeting and remains unchanged. Subject to the passing of Resolution 2, shareholder approval of the Directors' Remuneration Policy is valid for three years and will therefore be put to a shareholder vote no later than the Annual General Meeting to be held in 2017. However, if Resolution 2 is not passed the directors will be required to put the Directors' Remuneration Policy to a shareholder vote at the 2016 Annual General Meeting. The Directors' Remuneration Policy is included in full in this year's Annual Report and Financial Statements for ease of reference.

Resolutions 3 – 13: Election or re-election of directors

The UK Corporate Governance Code recommends that all directors of FTSE 350 companies should be subject to annual election by shareholders. All the directors of the Company are submitting themselves for election or re-election by shareholders, apart from Andrew Lodge who will retire from the Board on 30 June 2015. Biographical details of all directors standing for election or re-election are set out on pages 6 and 7 of this document. The Board considers that all non-executive directors are independent in character and judgement. In addition, and following individual performance evaluations conducted during the year, the Board considers that each director standing for re-election continues to make an effective and valuable contribution and demonstrates commitment to the role. Accordingly, the Board unanimously recommends the election or re-election of each director.

Resolutions 14 and 15: Re-appointment and remuneration of the auditor

Resolution 14 seeks the re-appointment of Deloitte LLP as auditor of the Company in accordance with Section 489 of the Companies Act 2006. Deloitte LLP has confirmed its willingness to stand for re-appointment as auditor of the Company until the conclusion of the Annual General Meeting of the Company to be held in 2016. The directors recommend the re-appointment of Deloitte LLP.

Resolution 15 authorises the Board of Directors, in accordance with standard practice, to agree the remuneration of the auditor. The Board has delegated this responsibility to the Audit and Risk Committee.

Resolution 16: Political donations

The Company's policy is not to make political donations or to incur political expenditure; however, the definitions of these terms under the Companies Act 2006 are very wide. For example bodies, such as those concerned with policy review and law reform or with the representation of the business community or sections of it, which the Company and/or its subsidiaries may see benefit in supporting, may be included in these definitions. The Company therefore wishes to ensure that neither it nor its subsidiaries inadvertently contravene the Companies Act 2006 through the undertaking of routine activities, which would not normally be considered to result in the making of political donations or political expenditure being incurred. The Board is therefore seeking authority, under sections 366 and 367 of the Companies Act 2006, to fund donations or incur expenditure up to an aggregate limit of £50,000 per annum as set out in the resolution. Any political donation made or political expenditure incurred which is in excess of £2,000 will be disclosed in the Company's Annual Report and Financial Statements for 2015, as required by the Companies Act 2006.

Resolution 17: General authority to allot shares

Resolution 17 seeks authority for the Board to allot, or grant rights to subscribe for or convert securities into, a limited number of shares in the Company. Section 551 of the Companies Act 2006 requires such authority to be granted by the Company in a general meeting so that any allotment of shares or grant of rights to subscribe for or convert securities into shares is not exercised at the sole discretion of the directors. The Resolution specifies the maximum nominal amount of shares which can be allotted or rights granted.

Guidance published by the Investment Management Association in 2014 (following its merger with the ABI Investment Affairs division) states that its members will regard as routine an authority to allot up to two-thirds of existing issued share capital, provided that any amount in excess of one-third of existing issued shares be applied to fully pre-emptive rights issues only. The Board considers it appropriate to follow this guidance.

Part a) of this Resolution therefore authorises the directors to allot Ordinary Shares or grant rights to subscribe for or convert securities into shares up to an aggregate nominal amount equal to £21,283,794 (representing 170,270,352 Ordinary Shares of 12.5 pence each). This amount represents approximately one-third of the issued Ordinary share capital (excluding treasury shares) of the Company.

Part b) of this Resolution authorises the directors to allot Ordinary Shares or grant rights to subscribe for or convert securities into shares in connection with a rights issue in favour of Ordinary shareholders up to an aggregate nominal amount equal to £42,567,588, less the nominal amount of any shares issued under part a) of the Resolution. This amount represents approximately two-thirds of the issued Ordinary share capital (excluding treasury shares) of the Company.

The figure used for the nominal amount of issued Ordinary share capital of the Company is based on the Ordinary share capital in issue as at 1 April 2015. As at 1 April 2015, no Ordinary Shares are held by the Company in treasury. The directors have no present intention to exercise either of the authorities sought under this Resolution but would like the flexibility to do so in appropriate circumstances.

These authorities shall last until the conclusion of the Annual General Meeting of the Company to be held in 2016 or on 12 August 2016, whichever is the sooner.

Special Resolutions

Resolution 18: Disapplication of pre-emption rights

If a company proposes to allot Ordinary Shares or other 'equity securities' (including by way of sale of any shares which the Company has purchased and has elected to hold as treasury shares) wholly for cash, it has a statutory obligation (subject to certain exemptions) to offer those shares to holders of similar shares in proportion to their existing holdings. Resolution 18 seeks to disapply this statutory right of first refusal to a limited extent to give the directors some flexibility to raise capital through an issue of shares. This authority shall last until the conclusion of the Annual General Meeting of the Company to be held in 2016 or on 12 August 2016, whichever is the sooner. Part a) of the Resolution provides the directors with flexibility to deal with practical issues such as fractional entitlements and securities law restrictions in overseas jurisdictions when making an offer that is otherwise pre-emptive, and would apply to any allotment of shares under Resolution 17. Part b) of the Resolution contains a broader general disapplication of pre-emption rights. On 12 March 2015, the Pre-Emption Group issued a revised Statement of Principles, which stated that, in addition to the standard annual disapplication of pre-emption rights up to a maximum equal to 5 per cent of issued ordinary share capital, the Pre-Emption Group is now supportive of extending the general disapplication authority for certain purposes. In line with the revised Statement of Principles, the Company is therefore seeking approval for the disapplication of pre-emption rights up to a maximum nominal amount of £6,385,138, which represents approximately 10 per cent of the issued Ordinary share capital of the Company. The directors confirm their intention that the additional authority (equal to 5 per cent of the issued Ordinary share capital of the Company) will only be used to fund one or more acquisitions or specified capital investments, as referred to in the revised Statement of Principles. In accordance with the Statement of Principles regarding cumulative usage of authorities within a rolling three-year period, the directors also confirm their intention that (except in relation to an issue pursuant to the additional 5 per cent referred to above) no more than 7.5 per cent of the issued Ordinary share capital will be issued for cash on a non-pre-emptive basis during any rolling three-year period, without prior consultation with shareholders.

Resolution 19: Purchase of own shares

Resolution 19 seeks authority for the Company to make market purchases of its own Ordinary Shares, which would otherwise be prohibited by the Companies Act 2006. Pursuant to the authority granted by shareholders at the 2014 Annual General Meeting, 18,455,248 Ordinary Shares were repurchased by the Company and cancelled during 2014, representing 3.61 per cent of the Company's issued share capital as at 31 December 2014. The nominal value of the shares purchased as at 31 December 2014 was £2,306,906 and the aggregate amount of consideration paid by the Company for those shares was £55,730,484 exclusive of expenses. In December 2014, a decision was taken by the Board to postpone the remainder of the buyback programme announced by the Company on 27 February 2014, pending a recovery in the oil price.

The directors continue to believe that the Board should retain the flexibility to be able to buy back the Company's shares when it is in the best interests of shareholders to do so and will result in an increase in earnings per share; therefore Resolution 19 proposes a renewal of the existing authority.

The Resolution specifies the maximum number of shares that can be acquired (approximately 15 per cent of the issued Ordinary share capital (excluding treasury shares) of the Company) and the minimum and maximum prices at which they may be bought. Any shares purchased under the authority granted by the Resolution will either be cancelled or may be held as treasury shares (see further below).

The minimum price, exclusive of expenses, which may be paid for an Ordinary Share is an amount equal to the nominal value of an Ordinary Share. The maximum price, exclusive of expenses, which may be paid for an Ordinary Share is the higher of (i) an amount equal to 5% above the average of the closing mid-market price of an Ordinary Share for the five business days immediately preceding the date of the purchase, and (ii) that stipulated by Article 5(1) of the Buy-back and Stabilisation Regulation, Commission Regulation (EC) of 22 December 2003.

Under the buyback programme undertaken in 2014, shares were repurchased and cancelled. However, there may be times in the future when the Board will consider it appropriate to hold any repurchased shares in treasury, provided that the number does not at any time exceed 10 per cent of the Company's issued Ordinary share capital. This would give the Company the ability to re-issue treasury shares quickly and cost-effectively, and would provide the Company with additional flexibility in the management of its capital base.

As at 1 April 2015, the full exercise of all options and satisfaction of all awards outstanding under the Company's employee share plans would require the issue of 29,200,527 Ordinary Shares representing approximately 5.72 per cent of the issued Ordinary share capital of the Company (excluding any shares held as treasury shares). The Company's policy is to satisfy only Save As You Earn ("SAYE") options using newly issued shares; as at 1 April 2015 there were 866,408 SAYE options outstanding representing 0.17 per cent of the issued Ordinary share capital of the Company (excluding any shares held as treasury shares). If the Company were to purchase the maximum number of Ordinary Shares permitted by the Resolution and by the existing authority given at last year's Annual General Meeting, all options and all awards outstanding would represent approximately 7.82 per cent of the reduced issued Ordinary share capital (excluding any shares held as treasury shares). The authority will expire at the conclusion of the Annual General Meeting of the Company to be held in 2016 or on 12 August 2016, whichever is the sooner.

Resolution 20: Notice period for general meetings other than the Annual General Meeting

Under the Companies (Shareholders' Rights) Regulations 2009, the notice period for general meetings increased to not less than 21 clear days unless shareholders approve a shorter period, which cannot be less than 14 clear days. Resolution 20 therefore seeks to renew the authority granted at the last Annual General Meeting allowing the Company to call general meetings (other than an Annual General Meeting) on 14 clear days' notice provided that a means of electronic voting is made available to all shareholders for that meeting. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. Annual General Meetings of the Company will continue to be held on at least 21 clear days' notice. The approval will be effective until the conclusion of the Company's Annual General Meeting to be held in 2016, when it is intended that a similar resolution will be proposed.

The directors consider that all proposals to be considered at the Meeting are in the best interests of the Company and its members as a whole. The directors unanimously recommend that you vote in favour of all the proposed resolutions, as they intend to do in respect of their own shareholdings.

Yours sincerely

Mike Welton
Chairman

NOTES TO THE NOTICE OF THE MEETING

Attending the Meeting and asking questions

To be entitled to attend and vote at the Annual General Meeting (the "Meeting") (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at close of business on Monday 11 May 2015 (or, in the event of any adjournment, close of business on the date which is two days before the time of the adjourned Meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.

Any member attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if (a) to do so would involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

Appointing a proxy

Shareholders are entitled to attend, speak and vote at the Meeting and may appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. The Articles of Association of the Company provide that if a member appoints more than one proxy and the proxy forms appointing those proxies would give those proxies the apparent right to exercise votes on behalf of the member in a general meeting over more shares than are held by the member, then each of those proxy forms will be invalid and none of the proxies so appointed will be entitled to attend, speak or vote at the relevant general meeting. A proxy need not be a member of the Company. A vote withheld is not a vote in law, which means that the vote will not be counted in the proportion of votes "for" and "against" the Resolution. Where a proxy has been appointed by a member, if such member does not give any instructions in relation to a Resolution that member should note that their proxy will have authority to vote on that Resolution as he/she thinks fit. A form of proxy which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a form of proxy and believe that you should have one, or if you require additional forms, please contact Capita Asset Services on 0871 664 0300 if calling from within the UK (calls cost 10p per minute plus network extras) or +44 (0)20 8639 3399 if calling from outside the UK. Lines are open between 9.00am and 5.30pm, Monday to Friday.

To be valid, forms of proxy must be lodged by one of the following methods by 11.00am on Monday 11 May 2015:

- In hard copy form by post to the Company's Registrar at Capita Asset Services, PXS, 34 Beckenham Road, Beckenham, BR3 4TU; or
- In the case of CREST members or CREST Personal Members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below; or
- By submitting your proxy appointment electronically via the internet. Instructions on how to do this can be found on the form of proxy.

The return of a completed form of proxy or any CREST Proxy Instruction (as described below) will not prevent a shareholder attending the Meeting and voting in person if he/she wishes to do so.

CREST members

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual (available via www.euroclear.com/CREST). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Capita Asset Services (ID: RA10) by 11.00am on Monday 11 May 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat an instruction as invalid in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Nominated persons and information rights

Any person to whom this notice is sent who is a person nominated under Section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Meeting.

If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

However, the statement of the rights of shareholders in relation to the appointment of proxies described above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by shareholders of the Company.

Joint holders and corporate representatives

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first-named being the most senior).

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

Members' power to require website publication of audit concerns

Under Section 527 of the Companies Act 2006, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.

Share capital

As at 1 April 2015 (being the date of this notice) the Company's issued Ordinary share capital consisted of 510,811,061 Ordinary Shares, carrying one vote each. Therefore the total voting rights in the Company as at 1 April 2015 were 510,811,061.
