

Legal information

This page contains important information explaining your rights to access and use of information on www.harbourenergy.com. Please read this information carefully.

The following sets out the conditions of use of the Harbour Energy plc website. Unless specified otherwise, references in this website to "Harbour Energy" shall mean Harbour Energy plc and its subsidiaries and affiliates.

General

This is the website for Harbour Energy. The copyright and other rights in all the material contained in this website are owned by Harbour Energy or validly licensed to Harbour Energy for inclusion on this website. As a visitor to this website, you may retrieve and display the content of the website on a computer screen, store such content in electronic form on disk (but not any server or other storage device connected to a network) or print one copy of such content for your own personal, non-commercial use, provided you keep intact any and all copyright and proprietary notices. You may not otherwise reproduce, modify, copy or distribute or use for commercial purposes any of the materials or content on this website without the written permission of Harbour Energy.

Information on www.harbourenergy.com

This website is designed to provide information about Harbour Energy and our business and operations. It is intended as general information only and it is not to be relied upon for any particular purpose. In particular, no information contained on this website constitutes, or shall be deemed to constitute, an invitation to invest or otherwise deal in any shares or other securities of Harbour Energy plc. Neither Harbour Energy nor any of its subsidiaries gives any representation or warranty as to the accuracy or completeness of any information on this website and we do not accept any responsibility or liability of any nature whatsoever for your use of this information for any purpose. Neither Harbour Energy plc nor any of its subsidiaries accept liability for any direct, indirect, special, consequential, or other losses or damages of whatsoever kind arising out of access to, or the use of this website or any information contained in it. Any visitor using information contained on this website does so entirely at their own risk. Harbour Energy makes no commitment to update the information contained on this website and, at any point in time, this information may be out of date and inaccurate.

The price of shares and the income derived from them can go down as well as up and investors may not get back the amount originally invested. Actual results and developments may be materially different from any forecast, opinion or expectation expressed on this website and investors should be aware that past performance is not necessarily a guide to future performance.

Forward Looking Statements

Statements made on or contained in this website or in documents referred to, particularly those regarding capital employed, capital expenditure, cash flows, costs, savings, debt, demand, disposals, dividends, earnings, efficiency, gearing, growth, improvements, investments, margins, performance, prices, production, productivity, profits, reserves, returns, sales, strategy, synergies, tax rates, trends, value, volumes, the effects of Harbour Energy's merger and acquisition activity, are or may be forward looking statements. Harbour Energy's forward-looking statements often address our expected future business and financial performance and financial condition, and often contain words such as "expect," "anticipate," "intend," "plan," "believe," "seek," "see," or "will." Such statements reflect the views of Harbour Energy as at the date made with respect to future events and are subject to risks and uncertainties. Actual results may differ from those expressed in such statements, depending on a variety of factors including future levels of industry product supply; demand and pricing; political stability and economic growth, development and use of new technology; actions of competitors; and natural disasters, wars and acts of terrorism. Additional information, including information on factors that could cause actual results to differ materially from those in the forward looking statements are contained in Harbour Energy's latest published annual report and accounts. We disclaim any intention or obligation to update forward looking statements.

Cautionary note to US investors

The U.S. Securities and Exchange Commission (SEC(US)) permits oil and gas companies, in their filings with the SEC(US), to disclose only the proved reserves that the company has demonstrated by actual production or conclusive information tests to be economically and legally producible under existing economic and operating conditions. Harbour Energy uses certain terms on this website such as "proved plus probable reserves", "probable reserves", "estimated recoverable reserves", "risky exploration" and other similar expressions that include probable reserves estimates which are prepared on a basis consistent with the guidelines of the Society of Petroleum Engineers (SPE) and the World Petroleum Council (WPC) and are not consistent with SEC(US) guidelines.

Applicable laws

This website is controlled by Harbour Energy from its office in the United Kingdom. Harbour Energy makes no representation that the information contained in this website is appropriate or available for use in other locations, and Harbour Energy shall have no responsibility in respect of access to it from territories whose laws prohibit such access or where any aspect of the content of the website may be illegal.

Those who choose to access this website from other locations do so on their own initiative and at their own risk and are responsible for compliance with applicable local laws. Any claim relating to the information contained in this website shall be governed by the laws of England and Wales, visitors to the website agree to the exclusive jurisdiction of the English Courts.

Links to other websites

Throughout this website you may be offered automatic links to other websites relevant to a particular aspect of this website. This does not indicate any association between Harbour Energy and those other websites or their owners. Whilst it is hoped that you will find those other websites of interest, Harbour Energy accepts no responsibility of any nature whatsoever for those other websites, or any information contained on them, none of which has been verified or endorsed by us.
