APPENDIX 1 KEY PERSONAL ATTRIBUTES

COMMUNICATION AND INFLUENCE

Understands the value of clear, well thought out communication and active listening, coupled with honest and respectful responses to achieve positive outcomes and maintain productive relationships.

ACCOUNTABILITY, DECISION MAKING AND JUDGEMENT

Understands that part of business success is a result of individual and collective decision-making, based on sound judgement, competency and integrity.

Willing to accept responsibility for their actions and executes work in an honest and respectful way that materially influences how Harbour Energy and its employees are perceived by stakeholders.

Recognises the importance of fact over opinion and that the best solution may not always be the most obvious.

TEAMWORK

As a team member, displays a consultative, non-territorial and collegiate approach that promotes trust and support.

As a manager, recognises that caring passionately about the welfare and wellbeing of their people as much as the business itself delivers and sustains a positive team dynamic, commitment, team spirit, pride, trust and group identity.

LEADERSHIP AND SUPERVISION

As a leader, develops a broad understanding of Harbour Energy's Core Values and Business Principles. Recognises opportunities and threats, industry trends, emerging technology and displays initiative, energy and commitment in carrying out Harbour Energy's Core Values through inspiration, an active coaching style utilising appropriate resources and a safe proactive culture.

As a supervisor, has clarity of purpose to successfully influence and focus the team on the safe achievement of the planned objective utilising effective planning and appropriate resources.

Ensures that the right information is provided at the right time to promote excellent decision making; takes advantage of the collective expertise of team members to undertake and deliver the work; encourages knowledge exchange within the team; helps decide where to invest critical resources; links long-range visions and concepts to daily work tasks.

COACHING

Recognises and supports the notion that 'their success is my success' and that investing in coaching time is advantageous for both Harbour Energy and the development of individuals.

CONFLICT PREVENTION

Takes proactive and timely steps to prevent situations that could otherwise result in unnecessary confrontations and negatively affect the ability to work together in a positive and constructive manner.

ADAPTABILITY/FLEXIBILITY

Copes under pressure and views adaptability and flexibility as positive attributes

PROBLEM SOLVING

Possesses the ability to carefully and systematically tackle a problem in a timely fashion, utilising a logical approach to deliver a safe and economical outcome.

RESULTS ORIENTATION

Takes active responsibility for the achievement of collective and personal goals and objectives within agreed timeframes within the framework of Harbour Energy's Core Values and Business Principles.

PROMOTES HARBOUR ENERGY'S CORE VALUES AND BUSINESS PRINCIPLES

Understands and actively promotes Harbour Energy's Core Values and Business Principles in all aspects of their professional life.
