7 April 2017

Dear Shareholder,

I am pleased to attach the Notice of the Annual General Meeting of Premier Oil plc (the 'Company') to be held at No.11 Cavendish Square, London, W1G 0AN at 11.00am on Wednesday 17 May 2017 (the 'Meeting'). A form of proxy for use at the Meeting is also enclosed. If you would like to vote on the resolutions but cannot attend the Meeting, please fill in the form of proxy and return it to the Company's Registrar at Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, BR3 4TU as soon as possible. To be effective, forms of proxy must be lodged by 11.00am on Monday 15 May 2017. You may also submit your proxy electronically via the internet. Instructions on how to do this can be found on the form of proxy.

At this year's Meeting there are 19 resolutions which shareholders are asked to approve. Resolutions 1 to 15 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 16 to 19 (inclusive) are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution. An explanation of each of these resolutions is given below. Voting on all resolutions will be by way of a poll. We believe that a poll is the most transparent method of voting as shareholder votes are counted according to the number of Ordinary Shares held and this will ensure an exact and definitive result.

Ordinary Resolutions

Resolution 1: 2016 Annual Report and Financial Statements

The Companies Act 2006 requires the Directors of a public company to lay before the Company in general meeting the annual report and accounts of the Company for each financial year. The Directors ask that shareholders receive the Company's Annual Report and Financial Statements for the year ended 31 December 2016, including the reports of the Directors and the Auditor.

Resolution 2: Directors' Remuneration Policy

The Directors' Remuneration Policy (the 'Policy') is set out on pages 96 to 105 of the 2016 Annual Report and Financial Statements. The Companies Act 2006 provides that companies must put their Remuneration Policy to a shareholder vote at least every three years. The Company's Remuneration Policy was last approved by shareholders at the 2014 Annual General Meeting, and therefore, a new Remuneration Policy is being submitted to shareholders for approval by way of a binding shareholder vote, under Resolution 2. The Remuneration Committee believes that the Policy addresses changes to the macro-economic environment, and the specific circumstances of the Company, to better align the remuneration of Executive Directors and senior managers with the interests of shareholders. If approved, the Policy will be effective from the conclusion of the Meeting and the Company will not be able to change the Policy or make any remuneration payments to current or prospective directors or payments for loss of office to current or former directors which are inconsistent with the approved Policy, without the prior approval of shareholders at a general meeting. If the Policy is not approved at the Meeting, the Company will, to the extent permitted by the Companies Act 2006, continue to make payments to directors in accordance with the Remuneration Policy approved in 2014, a copy of which can be found on the Company's website www.premier-oil.com, and will seek shareholder approval for a revised Remuneration Policy to be effective from the date of approval by shareholders.

Resolution 3: Annual Report on Remuneration

The Annual Report on Remuneration, which includes a statement by Jane Hinkley, Chairman of the Remuneration Committee, is set out on pages 92 to 95 and pages 106 to 121 of the 2016 Annual Report and Financial Statements. The Annual Report on Remuneration sets out payments made during 2016 and explains how the Policy will be implemented in 2017. The vote on the Annual Report on Remuneration, under Resolution 3, is advisory only and any entitlement of a Director to remuneration is not made conditional on the Resolution being passed.

Resolutions 4 to 10: Re-election of Directors

Biographical details of all Directors standing for re-election are set out on pages 5 and 7 of this document. David Lindsell and Joe Darby will not be standing for re-election and will be stepping down from the Board at the conclusion of the Meeting. The Board considers that all Non-Executive Directors standing for re-election are independent in character and judgement. In addition, and following individual performance evaluations conducted during the year, the Board considers that each Director standing for re-election continues to make an effective and valuable contribution and demonstrates commitment to the role. Accordingly, the Board unanimously recommends the re-election of each of the Directors listed in Resolutions 4 to 10.

Resolutions 11 and 12: Appointment and remuneration of the Auditor

Following a competitive tender process, on the recommendation of the Audit and Risk Committee, the Board is recommending to shareholders the appointment of Ernst & Young LLP as the Company's new auditor. More information in respect of the audit tender can be found in the Audit and Risk Committee report on pages 84 to 89 of the Company's 2016 Annual Report and Financial Statements.

In accordance with the Companies Act 2006, Deloitte LLP have provided a Statement of Circumstances in connection with their resignation from office, which is set out in Appendix 1.

Resolution 12 authorises the Board of Directors, in accordance with standard practice, to agree the remuneration of the Auditor. The Board has delegated this responsibility to the Audit and Risk Committee.

Resolution 13: Political donations

The Company's policy is not to make political donations or to incur political expenditure; however, the definitions of these terms under the Companies Act 2006 are very wide. For example, bodies such as those concerned with policy review and law reform or with the representation of the business community or sections of it, which the Company and/or its subsidiaries may see benefit in supporting, may be included in these definitions. The Company therefore wishes to ensure that neither it nor its subsidiaries inadvertently contravene the Companies Act 2006 through the undertaking of routine activities, which would not normally be considered to result in the making of political donations or political expenditure being incurred. The Board is therefore seeking authority, under sections 366 and 367 of the Companies Act 2006, to fund donations or incur expenditure up to an aggregate limit of £50,000 per annum as set out in the Resolution. Any political donation made or political expenditure incurred which is in excess of £2,000 will be disclosed in the Company's Annual Report and Financial Statements for 2017, as required by the Companies Act 2006.

Resolution 14: General authority to allot shares

Resolution 14 seeks authority for the Board to allot, or grant rights to subscribe for or convert securities into, a limited number of shares in the Company. Section 551 of the Companies Act 2006 requires such authority to be granted by the Company in a general meeting so that any allotment of shares or grant of rights to subscribe for or convert securities into shares is not exercised at the sole discretion of the Directors. The Resolution specifies the maximum nominal amount of shares which can be allotted or rights granted.

Guidance published by the Investment Association in 2014 states that its members will regard as routine an authority to allot up to two-thirds of existing issued share capital, provided that any amount in excess of one-third of existing issued shares be applied to fully pre-emptive rights issues only. The Board considers it appropriate to follow this guidance.

Part a) of this Resolution therefore authorises the Directors to allot Ordinary Shares or grant rights to subscribe for or convert securities into shares up to an aggregate nominal amount equal to £21,284,319 (representing 170,274,552 Ordinary Shares of 12.5 pence each). This amount represents approximately one-third of the issued Ordinary share capital (excluding treasury shares) of the Company.

Part b) of this Resolution authorises the Directors to allot Ordinary Shares or grant rights to subscribe for or convert securities into shares in connection with a rights issue in favour of Ordinary shareholders up to an aggregate nominal amount equal to £42,568,638, less the nominal amount of any shares issued under part a) of the Resolution. This amount represents approximately two-thirds of the issued Ordinary share capital (excluding treasury shares) of the Company.

The figure used for the nominal amount of issued Ordinary share capital of the Company is based on the Ordinary share capital in issue as at 7 April 2017. As at 7 April 2017, no Ordinary Shares are held by the Company in treasury. Except in connection with existing arrangements to issue Ordinary Shares (to satisfy options and awards under the Company's option and incentive schemes and one-off incentive arrangements), the Directors have no present intention to exercise either of the authorities sought under this Resolution but would like the flexibility to do so in appropriate circumstances.

These authorities shall last until the conclusion of the Annual General Meeting of the Company to be held in 2018 or on 16 August 2018, whichever is the sooner.

Resolution 15: Authority to establish the Premier Oil 2017 Long Term Incentive Plan

The Company has operated the existing Long Term Incentive Plan (the '2009 LTIP') since it was approved by shareholders in May 2009. Following a detailed review of remuneration policy by the Company's Remuneration Committee, it is proposed to introduce the Premier Oil 2017 Long Term Incentive Plan (the '2017 LTIP'), a new share-based incentive arrangement, which will replace the 2009 LTIP. The principal features of the 2017 LTIP are summarised in Appendix 2 to this Notice and further details can be found in the Directors' Remuneration Report which forms part of the 2016 Annual Report and Financial Statements, copies of which are available at www.premier-oil.com. Shareholder approval is now being sought to establish the 2017 LTIP, a copy of which will be available for inspection:

- a) at the offices of Premier Oil plc, 23 Lower Belgrave Street, London SW1W 0NR from the date of this Notice until the close of the Meeting; and
- b) at the place of the Meeting for at least 15 minutes before and until the close of the Meeting.

Special Resolutions

Resolutions 16 and 17: General disapplication of pre-emption rights and specific disapplication of pre-emption rights in connection with an acquisition or specified capital investment

If a company proposes to allot Ordinary Shares or other 'equity securities' (including by way of sale of any shares which the Company has purchased and has elected to hold as treasury shares) wholly for cash, it has a statutory obligation (subject to certain exemptions) to offer those shares to holders of similar shares in proportion to their existing holdings. Resolutions 16 and 17 seek to disapply this statutory right of first refusal to a limited extent to give the Directors the power to allot Ordinary Shares (or sell any Ordinary Shares which the Company holds in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings. The powers under Resolutions 16 and 17 shall last until the conclusion of the Annual General Meeting of the Company to be held in 2018 or at the close of business on 16 August 2018, whichever is the sooner.

Part a) of Resolution 16 provides the Directors with flexibility to deal with practical issues such as fractional entitlements and securities law restrictions in overseas jurisdictions when making an offer that is otherwise pre-emptive, and would apply to any allotment of shares under Resolution 14. Part b) of Resolution 16 contains a broader general disapplication of pre-emption rights up to an aggregate nominal amount of £3,192,647 (representing 25,541,176 Ordinary Shares). This aggregate nominal amount represents approximately 5 per cent of the issued Ordinary share capital of the Company (excluding treasury shares) as at 7 April 2017.

In accordance with the Pre-Emption Group's Statement of Principles regarding cumulative usage of authorities within a rolling three-year period, the Directors also confirm their intention that no more than 7.5 per cent of the issued Ordinary share capital (excluding treasury shares) will be issued for cash on a non-pre-emptive basis, pursuant to sub-paragraph b) of Resolution 16 and equivalent authorities in other years during any rolling three-year period, without prior consultation with shareholders.

Resolution 17 is intended to give the Company flexibility to make non-pre-emptive issues of Ordinary Shares in connection with acquisitions and other capital investments as contemplated by the Pre-Emption Group's Statement of Principles. The power under Resolution 17 is in addition to the power set out in Resolution 16 and would be limited to allotments or sales of up to an aggregate nominal amount of £3,192,647 (representing 25,541,176 Ordinary Shares). This aggregate nominal amount represents an additional 5 per cent of the issued Ordinary share capital of the Company (excluding treasury shares) as at 7 April 2017.

Resolution 18: Purchase of own shares

Resolution 18 seeks authority for the Company to make market purchases of its own Ordinary Shares, which would otherwise be prohibited by the Companies Act 2006. The Directors continue to believe that the Board should retain the flexibility to be able to buy back the Company's shares when it is in the best interests of shareholders to do so and will result in an increase in earnings per share; therefore Resolution 18 proposes a renewal of the existing authority.

The Resolution specifies the maximum number of shares that can be acquired (approximately 15 per cent of the issued Ordinary share capital (excluding treasury shares) of the Company) and the minimum and maximum prices at which they may be bought. Any shares purchased under the authority granted by the Resolution will either be cancelled or may be held as treasury shares (see further below).

The minimum price, exclusive of expenses, which may be paid for an Ordinary Share is an amount equal to the nominal value of an Ordinary Share. The maximum price, exclusive of expenses, which may be paid for an Ordinary Share is the higher of: (i) an amount equal to 5 per cent above the average of the closing middle-market quotations of an Ordinary Share for the five business days immediately preceding the date of the purchase; and (ii) the price of the last independent trade and the highest current independent purchase bid on the trading venues where the purchase is carried out.

Under the buyback programme undertaken in 2014, shares were repurchased and cancelled. However, there may be times in the future when the Board will consider it appropriate to hold any repurchased shares in treasury, provided that the number does not at any time exceed 10 per cent of the Company's issued Ordinary share capital. This would give the Company the ability to re-issue treasury shares quickly and cost-effectively, and would provide the Company with additional flexibility in the management of its capital base.

As at 7 April 2017, the full exercise of all options and satisfaction of awards outstanding under the Company's employee share plans, where the Company's current intention is to use new issue shares, would require the issue of approximately 12,466,459 Ordinary Shares representing approximately 2.44 per cent of the issued Ordinary share capital of the Company (excluding any shares held as treasury shares) on the same date. If the Company were to purchase the maximum number of Ordinary Shares permitted by the Resolution and by the existing authority given at last year's Annual General Meeting, the options and all awards outstanding would represent approximately 3.49 per cent of the Company's issued Ordinary share capital (excluding any shares held as treasury shares) as at 7 April 2017. The authority will expire at the conclusion of the Annual General Meeting of the Company to be held in 2018 or at the close of business on 16 August 2018, whichever is the sooner.

Resolution 19: Notice period for general meetings other than the Annual General Meeting

Under the Companies (Shareholders' Rights) Regulations 2009, the notice period for general meetings increased to not less than 21 clear days unless shareholders approve a shorter period, which cannot be less than 14 clear days. Resolution 19 therefore seeks to renew the authority granted at the last Annual General Meeting allowing the Company to call general meetings (other than an Annual General Meeting) on 14 clear days' notice provided that a means of electronic voting is made available to all shareholders for that meeting. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. Annual General Meetings of the Company will continue to be held on at least 21 clear days' notice. The approval will be effective until the conclusion of the Company's Annual General Meeting to be held in 2018, when it is intended that a similar resolution will be proposed.

The Directors consider that all proposals to be considered at the Meeting are in the best interests of the Company and its members as a whole. The Directors unanimously recommend that you vote in favour of all the proposed resolutions, as they intend to do in respect of their own shareholdings.

Yours sincerely

such power shall apply until the conclusion of the Annual General Meeting of the Company to be held in 2018 or at the close of business on 16 August 2018, whichever is the sooner, save that, in each case, the Company may during this period make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and/or treasury shares to be sold) after the power ends and the Directors may allot equity securities (and/or sell treasury shares) in pursuance of such an offer or agreement as if the power conferred hereby had not expired.

 - (i) 5 per cent over the average of the closing middle-market quotations of an Ordinary Share for the five business days immediately preceding the date on which the Company agrees to buy the shares concerned, based on share prices published in the Daily Official List of the London Stock Exchange; and
 - (ii) the price of the last independent trade and the highest current independent purchase bid at the time on the trading venue where the purchase is carried out,

such authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2018, or at the close of business on 16 August 2018, whichever is the sooner, provided that if the Company has agreed before such expiry to purchase Ordinary Shares where these purchases will or may be executed (either wholly or in part) after the authority terminates the Company may complete such a purchase as if the authority conferred hereby had not expired.

19. THAT a general meeting of the Company (not being an Annual General Meeting) may be called on notice of not less than 14 clear days, provided that this authority shall expire at the conclusion of the Annual General Meeting of the Company to be held in 2018.

Notes to the Notice of the Meeting

Attending the Meeting and asking questions

To be entitled to attend and vote at the Annual General Meeting (the 'Meeting') (and for the purpose of the determination by the Company of the votes they may cast), shareholders must be registered in the Register of Members of the Company at close of business on Monday 15 May 2017 (or, in the event of any adjournment, close of business on the date which is two days before the time of the adjourned Meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Meeting.

Any member attending the Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the Meeting but no such answer need be given if (a) to do so would involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

Appointing a proxy

Shareholders are entitled to attend, speak and vote at the Meeting and may appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the Meeting. A shareholder may appoint more than one proxy in relation to the Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder.

The Articles provide that:

- (i) if a member appoints more than one proxy and the proxy forms appointing those proxies would give those proxies the apparent right to exercise votes on behalf of the member in a general meeting over more shares than are held by the member, then each of those proxy forms will be invalid and none of the proxies so appointed will be entitled to attend, speak or vote at the relevant general meeting; and
- (ii) if a member submits more than one valid proxy appointment in respect of the same share, the appointment received last (regardless of its date or the date on which it is signed) before the latest time for the receipt of proxies will take precedence. If it is not possible to determine the order of receipt, none of the forms will be treated as valid.

A proxy need not be a member of the Company. A vote withheld is not a vote in law, which means that the vote will not be counted in the proportion of votes "for" and "against" a Resolution. Where a proxy has been appointed by a member, if such member does not give any instructions in relation to that Resolution that member should note that their proxy will have authority to vote on the Resolution as he/she thinks fit.

Any power of attorney or any other authority under which the form of proxy is signed (or a duly certified copy of such power or authority) must be included with the proxy form. In the case of a member which is a company, the form of proxy should either be sealed by that company or signed by someone authorised to sign it.

A form of proxy which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a form of proxy and believe that you should have one, or if you require additional forms, please contact Capita Asset Services on 0871 664 0300 if calling from within the United Kingdom (calls cost 12p per minute plus your phone company's access charge) or +44 (0)371 664 0300 if calling from outside the United Kingdom (calls outside the United Kingdom will be charged at the applicable international rate). Lines are open between 9.00am and 5.30pm, Monday to Friday, excluding public holidays in England and Wales.

To be valid, forms of proxy must be lodged by one of the following methods by 11.00am on Monday 15 May 2017:

- in hard copy form by post to the Company's Registrar at Capita Asset Services, PXS 1, 34 Beckenham Road, Beckenham, BR3 4TU; or
- in the case of CREST members or CREST Personal Members, by utilising the CREST electronic proxy appointment service in accordance with the procedures set out below; or
- by submitting your proxy appointment electronically via the internet. Instructions on how to do this can be found on the form of proxy.

The return of a completed form of proxy or any CREST Proxy Instruction (as described below) will not prevent a shareholder attending the Meeting and voting in person if he/she wishes to do so.

CREST members

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by utilising the procedures described in the CREST Manual (available via www.euroclear.com/en/about/our-rules.html). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Capita Asset Services (ID: RA10) by 11.00am on Monday 15 May 2017. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat an instruction as invalid in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Nominated persons and information rights

Any person to whom this notice is sent who is a person nominated under Section 146 of the Companies Act 2006 to enjoy information rights (a 'Nominated Person') may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Meeting.

If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

However, the statement of the rights of shareholders in relation to the appointment of proxies described above does not apply to Nominated Persons. The rights described in those paragraphs can only be exercised by shareholders of the Company.

Joint holders and corporate representatives

In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first-named being the most senior).

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

Members' power to require website publication of audit concerns

Under Section 527 of the Companies Act 2006, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's Report and the conduct of the audit) that are to be laid before the Meeting; or (ii) any circumstance connected with an Auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the Meeting includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.

Share capital

As at 7 April 2017 (being the date of this notice) the Company's issued Ordinary share capital consisted of 510,823,666 Ordinary Shares, carrying one vote each. Therefore the total voting rights in the Company as at 7 April 2017 were 510,823,666.

Queries and access to information

Except as provided above, members who have general queries about the Meeting should use the following means of communication (no other methods of communication will be accepted): calling Capita Asset Services' shareholder helpline on 0871 664 0300 (calls cost 12p per minute plus your phone company's access charge) or from outside the United Kingdom, please call +44 (0)371 664 0300 (calls outside the United Kingdom will be charged at the applicable international rate). Lines are open 9.00am to 5.30pm Monday to Friday, excluding public holidays in England and Wales. You may not use any electronic address provided either (a) in this Notice of Annual General Meeting, or (b) in any related documents (including the Chairman's letter and form of proxy) to communicate with the Company for any purposes other than those expressly stated.

The terms and conditions of appointment and letters of appointment of Non-Executive Directors and all the Directors' service contracts will be available for inspection at the Meeting for 15 minutes prior to the Meeting and during the Meeting.

If you would like to request a copy of this notice in an alternative format such as in large print or audio, please contact the Company's Registrar, Capita Asset Services on 0871 664 0300.

Appendix 2

SUMMARY OF THE PRINCIPAL TERMS OF THE PREMIER OIL 2017 LONG TERM INCENTIVE PLAN (THE '2017 LTIP')

1 Overview

In December 2015 the Company adopted the Premier Value Share Plan to allow the grant of "Deferred Bonus Awards" to the executive directors of the Company and other members of the executive committee and senior management team, and "Value Share Awards" below board and executive committee level. All such awards were only capable of being satisfied with existing ordinary shares. It is now proposed to amend that plan to create the 2017 LTIP and to seek approval for the grant of Performance Share Awards and Restricted Share Awards to executive directors of the Company and other members of the executive committee and senior management team. It is also proposed that flexibility be introduced to allow all awards granted under the 2017 LTIP to be satisfied either by the issue of new ordinary shares or by the transfer of existing ordinary shares held in treasury. For completeness, a full summary of the principal terms of the 2017 LTIP following the proposed amendments is set out below.

2 Administration

The 2017 LTIP will be administered by the remuneration committee of the board of directors of the Company (the 'Committee') which consists entirely of independent non-executive directors.

3 Eligibility

Employees (including executive directors) of the Company or of any of its subsidiaries will be eligible to participate in the 2017 LTIP.

4 Nature of the 2017 LTIP and form of awards

Overview

The 2017 LTIP is an "umbrella" arrangement which, to give the Committee maximum flexibility, allows various types of award to be granted.

Annual grants – long-term incentives

It is intended that the 2017 LTIP will be used annually to grant:

- "Performance Share Awards" and "Restricted Share Awards" to the executive directors of the Company and other members of the executive committee and senior management team; and
- "Value Share Awards" to other employees.

Performance Share Awards must be granted subject to performance targets.

Restricted Share Awards must be granted subject to a performance underpin.

Value Share Awards may be subject to performance targets in part if the Committee sees fit.

Value Share Awards cannot be granted to executive directors of the Company nor can any other employee receive a Performance Share Award and/or a Restricted Share Award in the same financial year of the Company as being granted a Value Share Award.

Annual grants – deferred bonuses

It is also intended that the 2017 LTIP continue to be used to grant Deferred Bonus Awards to the executive directors of the Company and other members of the executive committee and senior management team.

Deferred Bonus Awards will not be subject to any further performance targets.

Form of awards

Awards may be granted in the form of:-

- nil (or nominal) cost options to acquire ordinary shares; or
- contingent rights to receive ordinary shares; or
- cash-based awards.

Other awards

The 2017 LTIP also gives the Committee the ability to grant "Conditional Share Awards", which may be granted in the same form as described above but which may or may not be subject to performance targets.

It is currently intended that Conditional Share Awards will only be granted in response to specific business requirements.

There are no current plans to grant any Conditional Share Awards.

5 Individual limits

The 2017 LTIP contains individual limits which provide that the market value of ordinary shares that may be awarded to any one participant in any financial year of the Company cannot:

- in the case of Performance Share Awards, exceed 175 per cent of annual base salary;
- in the case of Restricted Share Awards, exceed 40 per cent of annual base salary;
- in the case of Value Share Awards, exceed 100 per cent of annual base salary; and
- in the case of Conditional Share Awards, exceed such figure as the Committee sees fit (although Conditional Share Awards cannot be granted to executive directors of the Company other than in accordance with the terms of the Company's shareholder-approved directors' remuneration policy).

In the case of Deferred Bonus Awards, such awards shall be granted over ordinary shares with a market value equal to that part of the relevant annual bonus in excess of 50 per cent of the relevant individual's salary. The Committee may, if it sees fit, determine that Deferred Bonus Awards be granted on a different basis but Deferred Bonus Awards cannot be granted to executive directors of the Company other than in accordance with the terms of the Company's shareholder-approved directors' remuneration policy.

6 Source of ordinary shares and dilution limits

Awards may be satisfied by newly issued ordinary shares, ordinary shares purchased in the market by an employees' trust or by the transfer of ordinary shares held in treasury.

The number of new ordinary shares issued or remaining capable of being issued pursuant to awards under the 2017 LTIP and all of the Company's other employee share schemes in any period of 10 years will not exceed 10 per cent of the ordinary share capital of the Company in issue from time to time.

The number of new ordinary shares issued or remaining capable of being issued pursuant to awards granted to executive directors of the Company under the 2017 LTIP and the Company's other discretionary share schemes in any period of 10 years will not exceed 5 per cent of the ordinary share capital of the Company in issue from time to time.

If awards are to be satisfied by a transfer of existing ordinary shares, the percentage limits stated above will not apply. Insofar as it is necessary to ensure compliance with the guidelines issued from time to time by institutional investors, the percentage limits will apply to awards satisfied by the transfer of ordinary shares held in treasury.

7 Grant of awards

Awards may be granted during the six weeks immediately following the AGM. Thereafter, awards may only be granted:

- during the period of six weeks beginning with the dealing day following the announcement of the Company's results for any period;
- within 28 days of a person first joining the Company's group; or
- subject to any relevant restrictions on dealings in ordinary shares, on any other day which the Committee determines that exceptional circumstances exist.

No awards may be made more than ten years after the AGM. No payment will be required for the grant of an award.

8 Performance targets

Performance Share Awards

Performance Share Awards will always be subject to performance targets.

It is intended that the first set of Performance Share Awards will be subject to performance targets relating to the Company's relative total shareholder return ('TSR') performance against a comparator group of international oil and gas sector peers as follows:

Aker BP	Ithaca Energy
Beach Energy	Lundin Petroleum
Cairn Energy	Ophir Energy
DNO ASA	Origin Energy
Energi Mega Persada	Oryx Petroleum
EnQuest	Rockhopper Exploration
Maurel et Prom	Santos
Faroe Petroleum	SOCO International
Genel Energy	Tullow Oil
Gulf Keystone Petroleum	

The performance target will require the Company's TSR to be at least at the median of the companies comprising the comparator group. If it is, 25 per cent of an award will vest with full vesting occurring if the Company's TSR is in the top quartile of the comparator group with straight line vesting between these two points.

Value Share Awards

Value Share Awards comprise two elements:

- “Base Award” – an award that vests subject to continued employment; and
- “Multiplier Award” – an award that it is currently intended will vest subject to the satisfaction of the same TSR performance target as described above in respect of Performance Share Awards. Multiplier Awards may, however, be subject to other performance targets.

Alternatively, the Committee may grant the Base Award element but no Multiplier Award.

To date, when granting Value Share Awards the Committee has only granted the Base Award element.

Restricted Share Awards

Restricted Share Awards will always be subject to a performance underpin. The performance underpin will be based on the Company's capital structure and balance sheet strength and Committee assessment of overall Company performance.

It is intended that the first set of Restricted Share Awards will be subject to a performance underpin specifically related to two metrics to assure balance sheet strength – the reduction in the absolute level of net debt and the reduction of the ratio of net debt to EBITDA as agreed with the Company's lenders over the performance period.

Discretion to reduce vesting levels

The Committee has the discretion to reduce the number of ordinary shares that vest to ensure that the vesting outcome is appropriate in light of the underlying business performance of the Company's group.

Amendments

The Committee may amend a performance target/underpin if it sees fit. The Committee may, however, only amend a performance target/underpin imposed on an award held by a current or former executive director of the Company if it considers that the existing target/underpin should be amended to ensure that the revised target/underpin will then be a fairer measure of performance and will afford a more effective incentive to the awardholder, provided that the amended performance target/underpin shall not be materially more or less demanding to satisfy than the original performance target/underpin was when first set.

9 Vesting of awards

Performance Share Awards

Performance Share Awards will normally vest on the third anniversary of grant, subject to the satisfaction of the performance targets.

Restricted Share Awards

It is currently intended that Restricted Share Awards will normally vest in three equal tranches on each of the third, fourth and fifth anniversaries of grant, subject to the satisfaction of the performance underpin.

Post-Vesting Holding Period – Performance Share Awards and Restricted Share Awards

Performance Share Awards and Restricted Share Awards will both be granted subject to a post-vesting holding period. It is currently intended that the post-vesting holding period will prevent participants from selling any ordinary shares received pursuant to their award (other than those sold to raise funds to discharge the tax liabilities arising on vesting) until the fifth anniversary of grant. It is also currently intended that the post-vesting holding period will apply notwithstanding that the awardholder has ceased employment with the Company's group (although the Committee may terminate the post-vesting holding period early if the cessation occurs due to death, ill-health, injury or disability). In addition, if the awardholder is dismissed for gross misconduct he will forfeit without payment any ordinary shares received pursuant to the 2017 LTIP but which remain subject to the post-vesting holding period.

Value Share Awards

Value Share Awards will normally vest three years after grant subject, in the case of the Multiplier Awards, to the satisfaction of the performance target.

Deferred Bonus Awards

Deferred Bonus Awards will normally vest three years after grant.

Conditional Share Awards

Conditional Share Awards will vest at such time(s) as the Committee may specify on grant, subject to the satisfaction of the performance targets (if any).

10 Leaving employment

If a participant leaves employment with the Company's group his award will lapse unless he is a “good leaver”.

A participant will be a “good leaver” if the reason for leaving is death, injury, ill-health, disability, redundancy, retirement, the sale of the employing business or company, or otherwise at the discretion of the Committee.

If the participant is a good leaver then any Performance Share Awards, Restricted Share Awards or Value Share Awards shall vest on the date on which they would have vested had the cessation not occurred subject to any performance targets/underpins being satisfied and, unless in exceptional circumstances the Committee determines otherwise, taking into account a time pro-rata reduction to reflect the period of time between grant and cessation relative to the length of the vesting period.

The Committee may, alternatively, allow any Performance Share Awards, Restricted Share Awards or Value Share Awards held by good leavers to vest on cessation subject normally to the satisfaction of any performance targets/underpins and taking into account a time pro-rata reduction as described above. The Committee may, however, in exceptional circumstances determine that a time pro-rata reduction shall not apply and/or (other than in the case of awards held by current or former executive directors of the Company), that any performance target/underpin shall be waived.

Deferred Bonus Awards held by good leavers vest in full on cessation.

The default position in respect of Conditional Share Awards held by good leavers is that such awards would normally vest on cessation with Committee discretion to defer vesting until the normal vesting date.

11 Malus and Clawback

The 2017 LTIP contains malus and clawback provisions which the Committee may operate until the later of (i) one year after vesting and (ii) the completion of the next audit after vesting if:

- the Company materially misstated its financial results for any reason;
- there has been an error or miscalculation as to the number of ordinary shares received pursuant to an award; or
- the awardholder ceases employment as a result of an act (or acts) of gross misconduct committed during the financial year of the Company prior to vesting; or
- such other exceptional circumstances arise which the Committee consider to justify and/or require the operation of malus and/or clawback.

If the Committee decides to operate the malus and clawback provisions it may then recover all or part of the additional value received by the awardholder by:

- reducing the amount of any future annual bonus; and/or
- reducing the number of ordinary shares under any share award; and/or
- requiring the awardholder to make a payment to the Company.

The Committee may also reduce the number of ordinary shares under an award granted under the 2017 LTIP to give effect to any malus and/or clawback provision contained in any other incentive plan operated by the Company's group.

12 Corporate events

In the event of a takeover of the Company awards shall vest early.

With the exception of Deferred Bonus Awards, awards shall vest subject to the satisfaction of any performance targets and, unless the Committee determines otherwise, taking into account a time pro rata reduction to reflect the period of time between grant and takeover relative to the length of the relevant vesting period.

Deferred Bonus Awards vest in full on a takeover.

In the event of a demerger, delisting, special dividend or other event which, in the opinion of the Committee, may affect the current or future value of an award the Committee may allow awards to vest on the basis described above.

Awards will not normally vest on an internal reorganisation.

13 Dividend equivalents

An award may be made on terms that the participant will be entitled to receive additional ordinary shares with a value equal to the aggregate dividends in respect of which the ex-dividend date occurred between the award date and the date of vesting on the vested number of ordinary shares as if the participant had been the legal owner of such ordinary shares during that time. The calculation of the number of ordinary shares to be so received may assume the reinvestment of dividends. Alternatively, the Committee may decide to deliver the dividend equivalent in cash.

14 Adjustment of awards

If there is any variation of the Company's ordinary share capital, or in the event of a demerger or payment of a special dividend or similar event which would otherwise materially affect the value of an award, the Committee may adjust the number of ordinary shares under award and the exercise price (if any).

15 Rights attaching to ordinary shares and transferability

Ordinary shares allotted or transferred under the 2017 LTIP will rank alongside shares of the same class then in issue. The Company will apply to the Financial Conduct Authority for the listing of any newly issued ordinary shares. Awards are not transferable (except on death) and are not pensionable benefits.

16 Amendment

The Committee may amend the 2017 LTIP in any respect. However, the provisions governing eligibility, equity dilution, individual participation limits, the basis for determining the rights of participants to acquire ordinary shares or to receive cash and the adjustments that may be made following a variation of capital cannot be altered to the advantage of existing or new participants without the prior approval of shareholders in general meeting. There is an exception for minor amendments to benefit the administration of the 2017 LTIP, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants in the 2017 LTIP or for any member of the Company's group.

This summary does not form part of the rules of the 2017 LTIP and should not be taken as affecting the interpretation of the detailed terms and conditions of the rules of the 2017 LTIP. The Committee reserves the right up to the time of the AGM to make such amendments and additions to the rules of the 2017 LTIP as it sees fit provided that such amendments do not conflict in any material respect with this summary.
